Early Education & Family Wellness Centre's Newsflash

Issue Number: 5 January 2020

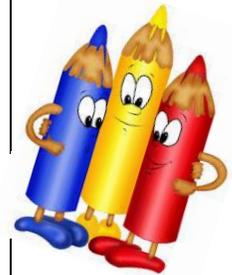

Look What We're Learning At Early Ed!

Winter has arrived at the Early Education & Family Wellness Centre!
It is the perfect time to practice taking off our coats, mitts, toques, snow pants, and boots! We use a dressing chart at school to remind us of the order in which to take off our outdoor clothing. See the attached sheet with a dressing chart that you can use at home!

Getting Dressed for Winter

Part of our day at school is having fun at table time! To help us find the right table, we label the tables with a colour. You can help by talking about colours at home. It can be as easy as asking your child to bring you the red cup, or sit on the brown couch, or to find their blue socks!

At preschool, we are learning about short and long, and empty and full. Make a game out of these words at suppertime by talking about who has long hair or short hair, or which noodle is long and which is short! Your child can practice pouring water to make their cup full, and then drinking it to make it empty!

Ice Cube Art

Each child chooses two colors of powdered tempera paint to spoon onto a paper plate. Use an ice cube on a popsicle stick to swirl around the plate, watching and waiting as it melts, mixing with the paint and blending the colors. Children can see how long it takes for the ice to melt.

Fun Winter Activities You Can Do Outside

- Go ice skating
- Go sledding
- Go downhill cross-country skiing
- Build a snowman
- Build a snow fort
- Have a snowball fight
- Go on a winter hike
- Go ice fishing

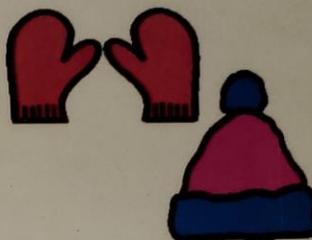

Dates To Remember:
 January 10 (Fri.) - *No School*, Staff Only
 January 31 (Fri.) - *No School*, Staff Only

Dressing Chart
